

# Empowering Girls in STEM

June 27, 2015

July 25, 2015

August 15, 2015

9:00am-12:00pm

\$30 (\$10 per Saturday)

Grades 6-8

Maximum Enrollment: 15 students

Location: Robert Morris University

School of Engineering, Mathematics & Science

John Jay Center

**Girls entering grades 6-8, are invited to attend our hands-on STEM Conference at RMU. Conference workshops are developed and taught by local STEM Professionals, as well as RMU Faculty and Students.**

**Each Saturday, girls will attend two 1 ½ hour workshops, during which time they will be engaged with a STEM professional who will facilitate hands-on activities and instruction to expose them to a future STEM discipline.**

**June 27: Science - July 25: Engineering,  
August 15: Mathematics/Technology**

**STEM = Science, Technology, Engineering & Mathematics**

Robert Morris University • 6001 University Blvd • Moon Township, PA • 15108
